Why a Lift?

Make Lifting More Convenient

When stairs are a hassle, a lift from Affordable Elevator keeps life moving with the press of a button. From groceries to luggage, move items with ease between the ground level and multiple stories of your home or business.

2-3 TWO OR THREE STOPS

Improve Safety & Mobility

Our indoor and outdoor elevators do the heavy lifting. Say goodbye to the pain of moving bulky or large items that pose a serious fall risk on stairs and say hello to safe access.

365 EVERYDAY ACCESSIBILITY

Increase Your Property Value

Cargo lifts and passenger lifts are more affordable and less disruptive than elevators. Lifts are an investment that add value and expand the use of any building.

ABOUT US

Who we are

Affordable Elevator, LLC is a Myrtle Beach-based lift company serving coastal South Carolina and surrounding Carolina communities. Since opening in February 2019, we have helped homeowners, businesses, builders, and property owners find practical lift options for moving people, groceries, luggage, equipment, and everyday items between levels.

What we do

We sell, service, and support home lifts, cargo lifts, platform lifts, and related lift products for residential and commercial properties. Our product options include Galaxy lift models such as the Shuttle, Voyager Lift, Voyager+ Lift, and Voyager HD, along with add-ons, warranty options, repair support, and boat lift services.

Who we serve

Affordable Elevator, LLC serves customers in Myrtle Beach, North Myrtle Beach, Surfside Beach, Murrells Inlet, Pawleys Island, Georgetown, Charleston, Folly Beach, Edisto Beach, St. Helena Island, Hilton Head, and surrounding Carolina communities. We work with beach homes, raised homes, waterfront properties, vacation rentals, and commercial spaces.
